THE RIVERSIDE GETAWAY

What Is Souzagad?

Souzagad as the name suggests is a combination of the Portuguese word Susegad, which means take it easy, and the surname D'souza which states goan hospitality at its best. After just a two hour drive from Bombay, one enters a true fairy land of pure nature. Developed as a family getaway on the banks of the Ulhas river in Karjat, this property has two quaint villas, designed by Suresh D'souza and his wife Susan. The location and the place are natures purest forms of unadulterated peace and tranquility for a perfect retreat.
